INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

He did not live with the Indians after he came to Ga. He did not live with the Indians in S. C. as a member of the tribe, that I know of. My grandmother was born and raised in York Co., S. C. I think my father's people were enrolled in 1835 or 1845. ~~XXXXXXXXXXXXXXXXXXXX~~ If my father was enrolled at that time it was under the name of Parker. He never had any other name. Don't know whether he was on any other roll or not. He never received any money from the Government that I know of. Alex Luke, my father's sister's son, got some land out in the Territory. I am recognized as a white woman with some Indian blood. My father's grandfather claimed to be 1/4 Cherokee. My husband is a white man. I have been married twice. George Wilson was my first husband. None of my uncles and aunts are living. All of my brothers and sisters married white people.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. FEB 28 1908
No. 14912.

OFFICE OF

ORDINARY.

GILMER COUNTY GEORGIA.

T. H. TABOR, Ordinary.

Feb 26
ELLIJAY, GA., Feb 26 1908

Hon Union Miller, Special Dir.

Dear Sir:

Your letter of Feb 14th 08. referring to
Applics Nos 14917-14899- duly received. I do not
know why our parents were never enrolled. It might have
been because they were afraid that they would be taken west.
I don't think that they thought that it would ever benefit
them. Some of our people are now badly scared because
they think that their present claims will finally cause
them to be removed from their native country to the west. I
do not know why my grand parents have never been en-
rolled, except from the above reasons. None of our ancestors
were ever slaves. I claim through the Combs side, Fran-
ces Combs, she was part Eastern Cherokee Indian. I ^{had} found Hon
J. C. Payne, Ordinary of Pickens Co Ga at Jasper and J. W. C. West ^{N.P.} of Carters
Ga to take the evidence of Sam Kelly (now dead) and Gen. W.
Burrell, of Ludville, Ga. showing that I have the Eastern Cherokee
blood, from both sides, the Qualls & Combs. And this evidence was sent
to Washington D.C. Our ancestors lived with the tribe since 1800.
We have always claimed to be and our neighbors have recognized us as Cherokees.

Respectfully Matilda J. Reece

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. FEB 23 1908
No. 14920.

T. H. TABOR, Ordinary.

ELLIJAY, GA., Feb 21st 1908

Hon. Union Miller,
Sir:-

Your letter of Feb 14th 08, to hand.
Referring to applin No 14921 & 14920, I was so small
when the treaty of 1846 & 1851 that was on hand, that
I cannot remember about it and I do not remember what
my father said the oldest ancestors names were. None of my an-
cestors were slaves. I have only Indian & white blood in
me. In 1857 we lived in a remote or mountainous re-
gion away from any railroad and knew nothing of any en-
rollment. This is why we were never enrolled. We are try-
ing to find some old persons who can tell the names of our old an-
cestors, in addition to the proof already submitted. Father escaped
and would not go west. He was a genuine Eastern Cherokee Indian.
Our family consisting of myself self and sisters walk single
file, Indian style, to Church, to mill and the post-office and else-
where. My fathers name was Davis Simard. My sisters names are
Nancy, Margaret, Mary & Martha, (twins) and Marcena Simard and
live near Cartecay post-office and I refer you to the
Postmaster and best citizens at Cartecay, PC Gilmer Co. Ga for
the truth of this statement. People will tell you here that we are

Hon. G M #2

Genuine E. Cherokees and always have kept up these Indian habits. I trust you have our claims investigated.

Respectfully,

Harriet L. Atkins.

P. S.

Hon Union Miller,

Sir:

I am Probate Judge here and have seen these Simonds walk this Indian style many a time. They are Indians, without a doubt, and have always been so regarded here, and they need the Nation's care as words.

Samuel C. Hill being first duly sworn, deposes and says: My name is Samuel C. Hill. I live at Bluejacket, Okla. I was not enrolled by the Dawes Commission. I was born in N.C. in 1857. I applied for land out here but was rejected. I claim through my mother. We moved out here in 1875 and my mother died then. MY mother was born in N. C. She never drew any money as I know of. She was about 34 or 35 years old when she died. She lived with the white people in N. C. I think that her parents lived with the white people. They were not recognized as members of the Cherokee Tribe.

Mr. Guion Miller,

Dear Sir:-

Relative to my application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees.

In your letter to me of Feby 14th, 1908, relative to this matter you asked, among others, the following question;

"Please state clearly the names of the ancestors through whom you claim to be descended from the Cherokees?"

My answer to this was a mistake, as I have since learned.

The answer should have been as follows:-

"A. I get my Cherokee blood from my Great-great-grand-father whose name was Thomas Elmore, and his wife Nancy. He was a full-blood Cherokee and she was part Cherokee. My great-grand-father's name was Archilis Elmore, and his wife, my great-grand-mother, was named Hannah Elmore. My grand-mother's name was Sally Martin (ne Elmore), who was a child of Archilis and Hannah Elmore.

I trust that this explanation will be satisfactory, and that my previous mistake will occasion no delay in the matter of my claim.

Please inform me when a Special Attorney of the Department will visit Gravitt, Ark., and I will try and see him. I understand that one is scheduled to be there some time this month.

Very truly yours,

Reasons:

This applicant offers in evidence "Special Master's Report". This report does not establish anything beyond the fact that the Master says "Ralph Shelton (applicant's father) was a lineal descendant of Cherokee ancestors. The only evidence applicant offers to connect with Cherokee tribe is that she is some relation to "Spencer and Nancy Shelton", who are enrolled on Drennan, Flint District #538, but applicant does not know what relation she is to these named parties. None of applicant's ancestors appear on any of the rolls.

Appl. #14951

Penelope J. Beeler being first duly sworn deposes and says:

My name is Penelope J. Beeler. I live at Neosho, Mo. ~~born~~ I am 61 years old. I was born in Eastern Tenn. I Clayborn Co. I claim through my father, Ralph Shelton, who was a half Cherokee. My father was an old man when he died and he died when I was about 6 years old. I think he was in the seventies when he died. My father lived with the white people in his latter days. Then he was young he lived with the Indians. I guess he was about 40 years old when he began living with the white people. He was around where the Indians were in 1835, and I guess he lived with them. I don't know whether he was a recognized member of the tribe or not. My father never received any money or land from the Government on account of his Indian blood. I ~~heard~~ heard my mother speak of the Treaty of 1835. She told about my father going off with the Indians and staying with them so much. My father died in Tenn. I could not say whether he was ever enrolled or not. I heard my mother speak about an enrollment, but I don't know whether my father was enrolled or not. The only name I know of that my father had was Ralph Shelton. My father had brothers:-- Jim, Bill. Sisters Jennie. I have heard of Spencer Shelton, but I don't know what relation he is to me. Most of my relatives moved from Tenn. to Cherokee Nation, Okla. Nancy Shelton and Annie Shelton was my father's kin folks. I don't remember what relation though. It seems to me that Annie Shelton was my father's oldest sister. He applied for citizenship but he never heard from it.

I, Edgar Smith, Special Master herein, respectfully show to the Court that under and by virtue of the order of Court heretofore made I have examined the pleadings and proof in the above entitled cause which is filed herewith and made a part of this report, and I find as follows.

-I-

That this cause was instituted on the 11th. day of Sept. by filing before the Commission to the Five Civilized Tribes the application of the following named persons to-wit:-

Praying enrollment as Cherokee Indians by blood and claiming

through Ralph Shelton who is alleged to have been a Cherokee Indian by blood;

That on the 25th. day of Sept. 1896 said appellee herein filed demurrer and answer;

That on the 6th. day of Nov. 1896 said application was by the said Commission denied no reasons being assigned therefor;

That on the 24th. day of Dec. 1896 said applicants appealed from said decision to the District Court of the United States sitting at Muskogee Indian Territory.

-II-

That the applicants herein filed in support of their application the affidavits of the following named persons to-wit:-

Bason Looney,

Lenard G. Harper,

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. MAR 2 1908
No. 14963.

14963 AP/

I do not know why my grandparents were never enrolled. The reason why I have never been enrolled is because I never knew that there was any reason why I should. I knew that I was part Cherokee Indian, but knew no reason for being enrolled.

None of my ancestors were ever slaves -

The best reason I have that I am part Cherokee is fully set out in Application No. 14963 -

Respectfully,
Emmel Kader.

Dalton, Ga.,
July 28, 1908.

No. 14963.

C. 1830; my mother was born on the Scaredcorn District, S. C. 1847; my father got his Indian blood from his father: my grandfather's name was James Holder: my grandfather was born in Cedartown, N. In person came before me as Ordinary of said county John A. Harris who on oath says that he was born in 1856 in Dick County Tennessee that his grand father's name on his mother's side was Alex McDaniel his mother's name was Charlotte McDaniel before her marriage to Benjamin Harris his father & his grand mother's name was Abbie Daniels before her marriage to Alex McDaniel.

Deponent further says on oath that he has often heard his father say that both his mother & grand mother had drawn money from the U.S. Government on an Indian claim & that the money was paid to them at Murphy A.C. Cherokee County. Deponent being young at the time does not remember the date of the payments but is confident that said payments were made some time between 1850 & 1860.

Deponent says that he never had an opportunity to enroll until Jan 28th 1907 when he filled out an application & forwarded it to the Commissioner of Indian Affairs ("Loupp") Washington D.C. & that none of his ancestors were ever slaves that he is a white man except the Cherokee Indian blood as shown in his claim.

John A. Harris, being first duly sworn and examined,
deposes and says:

My name is John A. Harris: I was born in Polk Co., Tenn., in 1856; I claim my Indian blood through my mother. I make no claim of Indian blood through my father; my mother's maiden name was Charlotte McDaniel; my mother was born in the Cherokee Nation; I do not know what state; my mother was born after the Indians left this part of the country; my mother got her Indian blood from her father, Alex. McDaniel. I never saw my grandfather; I do not exactly where my grandfather, Alex. McDaniel was born; I think he was born in N. C.; I do not know when he was born; I am unable to trace my ancestry farther back than my grandfather; in 1851 my mother lived in N. C., I do not know what part; I think my mother was enrolled in 1851; I think she was enrolled under the name of Charlotte McDaniel; I think my grandfather, Alex. McDaniel was enrolled in 1835; none of the ancestors through whom I claim were ever held as slaves; my grandfather, Alex. McDaniel, went West with the Indians about 1835 as a member of the tribe; my mother was born in the Cherokee Nation West of the Miss. River; my grandfather died in the Cherokee Nation and my mother returned to N. C.; none of the ancestors through whom I claim ever had an Indian name; I do not remember my mother; I first learned of my Cherokee Indian ancestry from my father and uncle who told me that my mother was a quarter Cherokee and that my grandmother, the wife of Alex. McDaniel, drew money at Murphy, N. C.; this money was the share of my grandfather in the Cherokee payment; both I and the ancestors through whom I claim were always regarded as white people, although it was generally known that we were of Cherokee Indian descent.

Your esteemed favor is hand-

The kindest way I
know how to answer your
questions in regard to my
application to share in the
funds that the Court of
Claims allowed the
Eastern Cherokee - is to
give a brief history of
our family showing
by what right I make
the claim as follows -

A Brief Family History.

My Great Grand Parents
Andrew Caldwell and his wife
Cecene Caldwell (nee Sevier)
who was a Cherokee by Blood)
and their Children were
brought West by the United
States Soldiers in 1836 (who
treated them very cruelly) and they
made their escape from the Soldiers
at or near Little Rock, Ark. and settled
at or near Washington, Ark. - where
they lived and died.

They made no attempt (that
I know of) to be enrolled
in 1851. I suspect that
my Great Grand Parents were
enrolled in the Old

Nations -

I have never made any attempt to be enrolled until some time back when I gave my application to W. P. Black who forwarded it to Sister Howe of Washington, D. C.

My Ancestors were never Slaves (and had no Negro blood in their veins) but they owned Slaves -

There being so many bad reports coming from the Cherokee Nation (Western Cherokee) of Murders and Lotteries that my Great Grand Parents exhorted our Children not to go to

The Cherokee Nation so their son Joseph Caldwell who was my Grand Father moved to Texas and settled in Hunt County where their children were reared and their daughter Fannetta Caldwell who was my Mother married Jack Rainey and they both died when I was small and I was reared by my sister-in-law Mrs. Rainey who now lives in Paris, Texas.

Mrs. Eliza M. Black is a first Cousin to my Mother - Mr. Arch. Caldwell and Mrs. Black's Mother were brother and sister.

Lucetta Rainey being first duly sworn, deposes and says:

That I am 28 years of age and live in Fort Towson, Okla. I claim my Indian descent through my mother; my father was a white man. My mother's father had the Indian blood. His name was Joseph Colwell. I claim 1/16 Indian (Cherokee). My mother claimed 1/8 Cherokee. My mother died about 24 years ago and she was about 40 years of age. My mother's sister was Lucetta Caldwell. She never married. Lucinda Caldwell and she married a Wilburn. She was another of my mother's sister. Louisa Parks is another of my mother's sisters and she is living at this time. She lives at Forman, Ark. Don't think she has filed application. Don't know where my mother was born or raised. Mr. W. P. Black, who married a second cousin of mine, lives in Hugo, Okla. He is about 50 years of age and would know about my ancestry than I. I don't know whether my mother or any of her people ever lived with the Indians. Don't think they were ever on any roll. I am recognized as a white woman in the community. I did not apply to the Dawes Commission. My failure to sign my application was just an omission. My husband is a white man. I have a second cousin, Mrs. W. P. Black, living at Hugo, Okla. who claims her Indian descent back through Joseph Caldwell, the same as I do, and she has filed an application.

Sir:

I am in receipt of your letter of August 9, 1909, in which you enclose \$2.50 for a copy of my report showing the reason why Sallie McBee's claim was rejected.

In reply you are advised that my report has not been printed and I will therefore be unable to furnish you with a copy of the same. The roll of Eastern Cherokees entitled to participate in this fund has been printed and is for sale at \$2.50, but I take it from your letter that this is not what you desire.

Your draft for \$2.50 is returned to you, herewith. If you desire a copy of the roll of those entitled you may return the \$2.50 and a copy will be forwarded to you.

Penelope J. Beeler, of Neosho, Missouri, was rejected for the following reason:--"This applicant offers in evidence 'Special Master's Report'. This report does not establish anything beyond the fact that the Master says Ralph Shelton, applicant's father, was a lineal descendant of Cherokee ancestors. The only evidence applicant offers to connect with Cherokee tribe is that she is some relation to Spencer and Nancy Shelton, who are enrolled on Drennen, Flint Dist, 538, but applicant does not know what relation she is to these named parties. None of applicants ancestors appear on any of the rolls. Testimony taken in this case."

Sallie McBee, of Neosho, Missouri, is a daughter of above party and was therefore rejected for the same reasons.

I live in Sequoyah County and was born in the Choctaw nation. I am 46 years old. I have known Chas. Webber 15 years. He is not related to the Tenkiller's that I know of. He was enrolled by the Dawes Commission. He drew the strip payment. He is about half-Cherokee and half-Creek. His mother was mixed. He has associated with the Cherokees more than the Creeks. Did not get the Creek payment. His mother's name Katie or Ka-tih. She lived at Campbell. She is dead. She got the strip payment. I don't know whether ~~she~~ had any bros. and sisters. Chas. Webber says one of his mother's brothers was named Sol-tes-ke or Lifter; another was Sequoyah. Another was Sim-mih or Sim-mie. Another was Qualitsey and English/Betsey. They all lived in Illinois District. Bill Webber; he is dead. He died when about 70 years old and has been dead 2 years. He was half-Cherokee and half-Creek. He had no brothers and sisters. I don't think either parent drew Old Settler money. Don't know his father's mother or his father's father. They lived in Illinois and Skin Bayou Districts. I don't know whether they ever lived in any other Districts. I lived neighbors to them and do not know of their ever drawing Old Settler money. They have been going with the Cherokees the last 25 years. Sallie Webber is ^{his} sister. John is in Jail and is a brother. He has a sister by the name of Squirrel.

Appl. #15006

Marvel Jackson Sweat, being first duly sworn, deposes and says:

My name is Marvel Jackson Sweat. I live at 33 Almo Ave., E. E. D. # 71, Atlanta, Ga. I was born in 1852 in Walton County. I claim Cherokee Indian blood through my father and his mother. My father died in 1864 and was about 54 or 55. He was born near Murphy, N. C. My father and grandmother were recognized as part Indian. They lived around Murphy there, I don't know whether they were in the Nation or not. I don't know whether my father was a recognized member of the tribe. I never heard of my father or grandmother getting any money or land from the Government on account of their Indian blood. I ~~have~~ heard my mother speak of a Treaty in 1835. I have heard of the Indian being driven out of this country. My understanding was that my father and his mother were mixed breded and that is the reason they were not driven away. I never heard whether my grandmother was living with the white people or the Indians when the Indians were driven away from here. In 1882 I was living in Atlanta, Ga. I never heard anything about an enrollment at that time. I never heard the name of the Cherokee Indian that I got my Indian blood from. My father and my grandmother always told me that I had Indian blood. I never heard of any of my kin folks being enrolled with the Indians.

I am 64 years of age, and live at Rural Hall, N.C., Forsythe County, and was raised on the Yadkin river. My father was Thomas A. Poindexter. He has been dead about 25 years. He was born and raised in Yadkin County near Donaha. I have always heard that my family contains Indian blood. Thomas Poindexter was the son of John Poindexter, and his father was Thomas Poindexter. I don't know who Donnahoo was. I do not know what kind of an Indian Bettie Pledge was. I ~~am~~ get this information as to my descent from my family bible. There has not been very much said about our Indian descent in my family. To the best of my knowledge I have heard my father say that he was related to the Indians. He did not say to what particular tribe, but mentioned Bettie Pledge. Pleasant Poindexter is my second cousin, our grandfathers being brothers.

Rec. JAN 13 1908.
No. 15019

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not ~~Old Settler Cherokees and their~~ they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

GUION MILLER,

Special Commissioner.

Dear Sir:

Yours of February the 18th., at hand asking for reasons why I think I am a Cherokee. In answering your first question, why my parents were not enrolled in 1851. My Grand Parents knew they were Indians, therefore, did not think it necessary to enroll their children. Later on it was carelessness on my Father's part that he nor his children were not enrolled, and also, for the fact of our living so far from the Cherokee Nation. It was always known that we were Cherokees. My Grandfather and family came with the Cherokees from Alabama in 1851.

None of my ancestors were slaves. My Grand Parents were old settlers.

Yours truly,

In answer to your first
question, why my parents were

that my grandparents did
not think it necessary to enroll
their children. They were In-

he or his children were not en-

My reasons for thinking

Sir:-

Replying to your letter of September 7, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

One Ray being first duly sworn, deposes and says:

That I am 43 years of age and live in Pickens Co., Ga. I claim my Indian descent through my father and his father. All of my other grandparents were white. My father's father's name was named Bill Ray. My mother is a white woman. Martha Parker who has filed application #5040 and Lafayette Ray who has filed application #5041 claim their Indian descent through the same source as I do, they going back to my grandfather, William or Bill Ray. I don't know where he was born or whether he was on any roll or not. Nor whether he ever lived with the Indians or not. I am recognized as a white man in the community, a white man with some Indian blood. My wife is white.
